

AFRICAN HEALTHCARE PORTAL Disclaimer

Neither Trishula Pathways (TP) nor any provider of third-party content or their respective agents warrants that the service will be uninterrupted or error free; nor does TP, any third-party content provider, or their respective agents make any warranty as to the results to be obtained from use of the service or the content. The service and the content are distributed on an "as is, as available" basis. None of TP, third party content providers and their respective agents makes any warranties of any kind, either express or implied, including, without limitation, warranties of title or implied warranties of merchantability or fitness for a particular purpose, with respect to the service, any content or any products or services sold through the service. Neither TP nor any third-party content provider warrants that any files available for downloading through the service will be free of viruses or similar contamination or destructive features. You expressly agree that the entire risk as to the quality and performance of the service and the accuracy or completeness of the content is assumed solely by you.

Neither TP, nor any third-party content provider nor their respective agents shall be liable for any direct, indirect, incidental, special or consequential damages arising out of the use of or inability to use the service, even if such party has been advised of the possibility of such damages.

Without prejudice to the generality of the foregoing paragraph, we do not warrant that:

- African Healthcare Portal will be constantly available or available at all; or
- the information on African Healthcare Portal is complete, true, accurate or non-misleading.

These disclaimers and exclusions shall be governed by and construed in accordance with South African Law. If any provisions of these disclaimers and exclusions shall be unlawful, void or for any reasons unenforceable then that provision shall be deemed severable and shall not affect the validity and enforceability of the remaining provisions.

By using the African Healthcare portal, you agree that the exclusions and limitations of liability set out in this website disclaimer are reasonable. If you do not think they are reasonable, you must not use this web-app.

System Availability:

TP shall use reasonable endeavours to keep the system available at all times, however, the user agrees that TP shall not be liable to the user or any other person or entity whatsoever in respect of (and the user or any such person or entity shall have no claim against TP and the user hereby indemnifies and holds TP free from liability in respect of) any loss or damage:

- caused by or arising from any fact or circumstances beyond the reasonable control of TP; or
- if such loss or damage is consequential or incidental loss or damage; or
- which is as a result of any downtime, outage, interruption in or unavailability of the system attributable to any cause whatsoever, including but not limited to: repairs and maintenance, any breakdown of whatever nature and howsoever arising in any of the services provided by Telkom (including, but not limited to, line failure), as well as by any other external communications networks and by the networks of Internet service providers other than TP. TP shall use its best endeavours to notify the client of any maintenance and repairs which may result in the system being unavailable but does not warrant that notice shall be given to the client prior to such maintenance and repairs being undertaken.
- without limiting the generality of the above the user indemnifies and holds TP harmless against any and all losses, injury, damage, penalties or claims of whatever nature and howsoever arising from or in connection with the service hereby made available by TP

Security:

In order to ensure the security and reliable operation of the system to all users, TP hereby reserves the right to take whatever action TP finds necessary to preserve the security and reliability of the system.
